STAT

Your interest in returning for another tour with our organization was brought to our attention by [redacted] and we were of course glad to consider the possibilities for you.

STA

Our arrangements with the services for obtaining the services of military personnel do not provide for our making name requests except in most unusual cases. Rather, we have agreed to advise the appropriate service of our requirements and to accept their nominations of officers having the qualifications needed. However, we have reviewed our outstanding requisitions and do not have a requirement at this time for an officer with your background.

We appreciated your offer to serve with us and regret to advise you that it is not practical for us to take advantage of your interest.

Sincerely,

SIGNED

E. D. Echols  
Director of Personnel
